## Music Enrichment Program

At Canterbury Boys High School we encourage you to chase your dreams. We take great pride in teaching you the tools needed to achieve your potential in music.

All students (in and out of the local area) have the opportunity to audition to be a part of our Music Enrichment Program.

Students are given the opportunity to work with like-minded peers, extending their ability and growth. CBHS holds two sets of auditions per year. The first auditions are held in March, for the prospective Year 7 2024 and the second set of auditions are held mid year for prospective students in years 8-11.
